Dear Mr. Hedberg:

We believe that Tom Clark, who operates a mine in T. 22 S., R. 6 E., Section 26, in Emery County on the Daddy Dearest mining claim group, has abandoned the operation. Letters sent to his last known address have been returned and he has not returned any of our calls. Conversations with his brother, Bret Clark, indicate that Tom has sold his business and may no longer be in the country.

An inspection of the mine indicates that it has not been operated for a couple of years. A truck, tanker, pickup truck, and wooden loading structure remain on the site. The operation also includes a portal and access road, none of which has been reclaimed.

We would appreciate any assistance in getting this operation reclaimed.

Sincerely yours,

*Blair A. Miller*
